## First Announcement

7<sup>th</sup> Heavy Ion Accelerator Symposium on Fundamental and Applied Science

9 – 13 September 2019, Canberra, Australia

We would like to invite you to the Heavy Ion Accelerator Symposium HIAS2019 at the Australian National University (ANU) in Canberra from Monday the 9<sup>th</sup> of September to Friday the 13<sup>th</sup> of September. The HIAS series has been organized *by the Department of Nuclear Physics* at the ANU since 2012.

**Scientific program:** The meeting will bring together researchers working with accelerated ion beams and related state-of-the-art instrumentation. The Symposium will provide a forum to build cross-institutional and cross-disciplinary links. If required, we will hold a limited number of parallel sessions (two streams on some afternoons).

Symposium topics will include:

- Nuclear Structure and Nuclear Data
- Accelerator Mass Spectrometry Applications
- Nuclear Astrophysics
- Nuclear Reactions
- New Instrumentation for Nuclear Science and Applications

**Location:** The Symposium will be held in the Hedley Bull Lecture Theatre at the Australian National University in Canberra.

**Starting and finishing times:** The conference is scheduled to start on Monday morning the 9<sup>th</sup> of September and conclude early afternoon on Friday the 13<sup>th</sup> of September 2019.

**Abstracts:** The abstract submission through the HIAS19 website will be open on the 4<sup>th</sup> of March 2019. The deadline for abstracts is 15<sup>th</sup> of May 2019.

**Proceedings:** The HIAS19 conference proceedings will be published in electronic form as a regular volume of the journal [EPJ Web of Conferences](#).

**Registration:** The registration deadline is the 1<sup>st</sup> of August 2019 (early bird 15<sup>th</sup> of July). The registration fee of AUD700 (early bird AUD600) will include coffee breaks, lunches and dinners on Monday and Wednesday. Registration will open on the 3<sup>rd</sup> of June 2019. Details on how to register will be posted on the conference webpage. Accompanying persons are welcome to the social dinners, tickets can be purchased during registration.

**Accommodation:** Please see the HIAS 2019 website for details.

**Conference webpage:** The conference webpage [hias.anu.edu.au/2019](http://hias.anu.edu.au/2019) will be available from the 15<sup>th</sup> of February and can be accessed through the Department of Nuclear Physics website [physics.anu.edu.au/nuclear](http://physics.anu.edu.au/nuclear) or directly via the HIAS website [hias.anu.edu.au/2019](http://hias.anu.edu.au/2019)

**Organizers:** The Symposium is organized by the Department of Nuclear Physics, ANU.
